Attached is a copy of the most recent draft of the captioned MOU. Please review the DIA changes for content. Specifically, I would request your comments on two issues:

a). DIA omitted the requirement that security information be "disqualifying"; that is exchanged (B,2) and

b). Paragraph 2,d provides that DIA shall protect that CIA is the source of all information furnished thereto, except when polygraph derived. In paragraph 3(b), which addresses CIA's responsibilities, it is made clear that all such information is for "lead purposes only." Do you think paragraph 2,d should expressly state the information is for lead purposes only?

If you have any questions, please call me.
